

OPPORTUNITIES TO SERVE

November/2017

Country Focus: Italy

According to the CMML/MSC Missionary Prayer Handbook, there are over 250 assemblies in Italy, and 7 listed missionaries from North America (individuals or families), along with assembly workers from other countries.

Evangelism / Discipleship – Centro Agape Migrant Center

This is a request for workers to reach migrants (South Asians in particular) in the provinces of Rome and Latina (south of Rome), Italy.

We need cross-cultural workers: two more couples to join in the ministries of Centro Agape (Migrant Center) in South Eastern Rome.

Two couples are also needed to join the work in the Terracina/San Felice Circeo area in the province of Latina – discipling Indian believers there and reaching Bangladeshis and Indians in that province with the Gospel.

Refugees in Greater Rome would also need cross-cultural workers. Please pray for more long-term workers!
